CELEBRATING 15 YEARS OF *XL GIRLS* WITH ALL OF THE LEGENDS & ALL OF YOUR FAVORITES.

When I asked *XL Girls* President & CEO John Fox what prompted The SCORE Group to create *XL Girls* as an offshoot of *Voluptuous*, his answer was simple.

"It was just what the readers wanted. So we gave it to them."

And that's what this magazine has always been about: what you, the readers, want. We keep this in mind with every girl, every shoot and every issue. It's because of you that *XL Girls* is possible. So month after month and year after year, the weight is on us to scour the globe for the world's best and bustiest plumpers. We've felt privileged to carry out this task for our first 15 years.

They say time flies when you're having fun. We've really had a blast and it's hard to believe that we're already celebrating our 15th anniversary. Has it really been 15 years since Gaynor appeared in our first issue and Lisa Miller in our second? Has it really been 12 years since Samantha 38G shot her first boy-girl scene? It's been one wild, enjoyable ride.

And if putting together an issue like this presents a challenge, it's that for 15 years, we've featured some of the most-beautiful, curvaceous women to ever walk the globe, and deciding who should appear in this issue was not easy. Of course, this is a fortunate problem. From Lisa Miller in

1999 to Jennica

Lynn in 2014, our archives are overflowing with the type of girls you, the *XL Man*, demand. It's easy to get caught up in the challenge of how to include every girl and pay proper homage to the stories of some certifiable plumper legends, but every time that happened, I could hear John's voice ringing in my head: "It was what the readers wanted." And from there, the challenge felt simpler: feature the best girls with the best bodies and the best boobs. The girls that you, the *XL Man*, demand. The rest would work itself out.

The *XL Girls* story is one that writes itself. In the beginning, we featured the best curvy, plump naturals that our then-parent magazine *Voluptuous* had discovered and many men couldn't get enough of. Eventually, the demand became so great that we began to scout and shoot girls specifically for *XL Girls*. In a way, we graduated from being the child magazine to a sister magazine that could stand alongside *Voluptuous*. Yeah, both publications still share many girls, like Dors Feline, Renee Ross, Terri Jane and so on. But *XL Girls* has its own identity and speaks a language of its own.

It's the language of what could be called the Fraternal Order of *XL Men*. All Plump, All Stacked, All Natural. All for you.—Karl Hyppolite

Dors Feline
& Terri Jane

1999

All the busty plumpers you ever wanted!

It's only fitting to start with these two: Tasha Addams, our first covergirl, who previously posed for *Voluptuous*, and Gaynor—popping her modeling cherry—who would go on to become a favorite with readers after her sultry debut pictorial. “I never thought I’d be accepted,” Gaynor said after her first shoot. “I thought the photographer would laugh when I walked in. I have to remind myself this isn’t make-believe.” No, it was real and our dream come true.

Tasha Addams

Gaynor

Corinna

When we first saw Lisa Miller, a saucy E-cuppper from Germany who debuted in *XL Girls* #35, all we could say was, "Wunderbar!" Her tits were heavy and perky, her curves were soft but solid and her smile could keep you warm on a cold Berlin night. Yet someone managed to bump this curvy, effervescent babe from being *XL*'s second covergirl. Corinna, another German wunderbabe with 40DD tits, had so much sex appeal, we called her "Full-Sized Perfection."

**Lisa

**A look back at a legend who proved
how sexy plump women can be.**

Roberta Smallwood was a big-boob legend long before our first issue. Discovered by SCORE Group chief John Fox when he was No. 1 at *Gent* in 1989, Roberta was among the first plump porn starlets of the 1990s. In our first issue, #29, we published a pictorial looking back at one of the ladies who made a mag like *XL Girls* possible.

2000

Current and future plumper legends cross paths.

When you call a girl "rubenesque," you're talking about girls like the lovely 36HH-cup British girl-next-door Laura Bailey. Laura graced the cover of SP41, an issue that also featured the *XL* debut of long-time *V-mag* and *SCORE* favorite Carol Brown. Carol had filled out her frame with 23 delectable pounds. "Are you sure you still want me?" she asked us then. More than ever, Ms. Brown.

Katherine had her hubby's attention after these pics.

Part of what makes being an XL Man special is our fraternal nature. Guys submit photos of their girlfriends and wives to share with fellow plumper lovers. But Katherine Marie, who appeared in SP41, was a different situation. Katherine, a 38DD-copper from Vancouver, Washington, submitted test shots of herself in an attempt to get her husband's attention.

"I've been married four years, and my husband doesn't seem as interested as he used to be," she said. "This is my way of adding some spice back to our marriage."

We're not sure how a man couldn't be interested in a babe like Katherine, but we were thrilled to help.

Katherine Marie

Natasha

Chaz

EE-cup tits, a plump ass and soft curves. That's what brick-house babe and SP46 covergirl Natasha flaunted in her debut. And she wasn't the only great girl in that issue. Black-n-stacked British girl-next-door Chaz also debuted at the fresh, tender age

of 18. It's unbelievable that a girl that young could have H-cup boobs and a body like hers. Chaz would become a star. Before we found her, Lou Lou was a shy H-cupper. We helped break her out of her shell. "I want to make up for lost time," she said.

You've heard the old cliché that you shouldn't judge a book by its cover. But when it comes to *XL Girls* magazines, we want you to judge them by their covers. We take great pride in our covers. From the cover-girl to the color and copy and the supporting cast of girls, we build every aspect of our covers with painstaking detail to ensure each is as spectacular as possible.

But like another well-known saying states: the cream always rises to the top. Here's a list of what we consider the cream of the *XL Girls* cover crop.

XLSP29: Our First Time

You always remember your first time, so there's no way we could start this list without including our first cover. Tasha Addams, a cute girl-next-door who we aptly dubbed the "Cajun Queen," was our first covergirl, and with her cute face, heavy rack and soft, childbearing hips, she personified everything this magazine is about: the best and bustiest girls in the world with plump tits, baring every inch of their bodies for you and the men who appreciate them the most.

We packed that issue with 25 girls, getting *XL Girls* off to a spectacular start.

XLSP35: The Sequel Lives Up To The Original:

It was full steam ahead by the time SP35 rolled around. Once again on the cover, we unveiled a buxom newcomer who simply blew us away. We called Corinna "Full-sized Perfection," and that cover would have been appropriate for any of our girls from then on.

If Tasha showed us how plump and cuddly the girls-next-door we often feature can be, Corinna showed us the type of sex appeal an *XL Girl* can boast. The German babe proudly bared her curves and all-natural 40DD rack and oozed palpable sexuality. She was a sexy girl, a busty girl, a curvy girl, a pin-up girl.

She was an *XL Girl*.

XLSP70: Holy Hangers!

We use the term, "holy hangers" fairly regularly to describe girls with perfect sets of fleshy, low-hanging tits. Even so, some girls remind us how amazing girls with holy hangers really are.

Susie Wilden, she of the luscious, suckable 36G naturals, is that type of special specimen. This blonde, British titter used the tips of her fingers to raise

her holy hangers on the cover of SP70 to much appreciation and fistfuls of rock-hard man-meat worldwide. Susie would become a star

XLSP83: Tits, Ass and Star Power

Devin Taylor, Maria Moore, Sapphire, Kerry Marie and Kat Vixen (getting her tight pussy eaten out no less) all on the same cover. You would be hard-pressed to find a SCORE Group cover that isn't a special issue with more star power than this classic. Devin, topless and cupping her soft breasts with a teas-

ing look on her face, debuted and bumped *XL Girls* legends Maria Moore, Sapphire (both of whom also debuted in this issue) and Kerry from the main covergirl spot. There's no better way to state how strong a cover and issue this was than by just listing the girls.

XLSP89: Drop a Load for Laura Bailey!

If we took a poll asking readers to cast votes for their favorite *XL Girl* of all-time, Laura Bailey would have a good shot at claiming the number one spot. Looking at this cover, it's easy to see why SCORE

It doesn't get much better than this for debuts.

There are legends, and then there is a girl like Samantha 38G. Her overflowing sexuality jumps off the page, and she did it all. "I'm an active and demanding lover," said Samantha. But, I'm definitely worth it." She would go on to become of the most-popular *XL Girls* ever and the star of several DVDs. At just 19, Eve Tyler bared every inch of her body on the cover of *XL Girls* #61.

**Sarah
Mercury**

Kerry Marie, Sarah Mercury, Desirae and Deja deserve much more poetry than we will be able to wax in this space. Simply put, these four babes helped set the standard for the quality of girls readers came to expect from each issue of *XL Girls*. We wanted to re-live every pose and moment with Deja, taste every bit of Sarah and Kerry and do the dirty with Desirae all night.

Desirae

Sandra Simms, our first super plumper and milkin' mama, had big boobs and the perfect attitude.

By 2001, we had already featured many plump, lovely ladies. But Sandra Simms was probably the first girl we published who could be considered a super plumper. With her heavy, lactating 46EE tits, this single mother gained a massive following in the '90s for her video *Milking Mamas*, and she brimmed confidence and sexual energy. When she came back to us years later to pose for *XL Girls*, she was as confident and horny as ever.

"Guys know big girls make the best lovers," she said. "I've worn a lot of guys out, but they never tire me out!"

Sandra Simms

2002

A young, fresh-faced Bailey and a full view of Susie.

Bailey Santanna has been with us so long, it's easy to forget the bright-eyed, 23-year old college student she was when we found her. "When I do anything, I do it properly and completely, whether it's cleaning or posing," she said. When saucy Brit Susie Wilden debuted, we said she "had a body that could get a eunuch hard."

You always remember your first time. We remember hers.

Samantha didn't wait long to pop her hardcore cherry. Less than a year after her solo debut, Samantha was sucking and fucking on-camera for our viewing and jerking pleasure.

"I love giving blow jobs and I sure as hell love being fucked," Samantha said after her first hardcore shoot. "Having the cameras on me just made it all the more intense."

So she kept on fucking on-camera. Samantha's hardcore debut was the highlight of the best-selling DVD *Voluptuous Xtra* #3.

**Kat
Vixen**

Lenka

At just 19 years old, Lenka had a pretty face, plump boobs and a caboose that made her one of the most-stunning babes we've ever come across. An aspiring pop singer, the Czech babe was a nympho hoping to satisfy a few urges. "I

need a sexy, big man to take me to bed and teach me about making love," she said. "A man who can eat my pussy. Nobody has done that yet." Kat Vixen debuted in SP73, and we would soon find out how kinky this 38F babe really was.

2003

We fell in love with every inch of these two.

In a spectacular year for new girls, none were better than Maria Moore, an FF-cupper from Philadelphia who said her boobs weighed eight pounds each. Maria called herself a vibrator junkie. "I'm always checking out sex shops to give my pussy new thrills." She would become a cock junkie. "Most guys don't approach me," said SP83 covergirl Devin Taylor. We approached her, and she became a star. "Don't hide anything," Devin said. "I want guys to see every inch."

**Before *SCORE*,
Daphne was a
curvy, stacked
XL pin-up girl.**

Does this face and figure look familiar? If it does, you are probably one of the few readers who remembers that before she slimmed down and augmented her ass and tits, Daphne Rosen was a pleasantly plump XL Girl from Israel.

"Sex is to be enjoyed," she said. "To me, that means trying everything about it. Wild? Yeah, you could say that."

Daphne, who loves anal sex, would go on to star in our sister magazines *SCORE* and *BootyLicious* and in DVDs such as *Boob Science*. But she was an XL Girl first.

Sapphire

You can't talk about the girls who are best in bust without mentioning Sapphire. The redheaded, 36F-cupper from California debuted in SP83. Over the years, Sapphire would become plumper, bustier and, like Devin and Maria, one of the all-time greats. "If you've got it, flaunt it," Mandy said in her SP77 debut. Words to live by for any XL Girl.

Mandy

Gina
LaMontana

Emage

Gina LaMontana was already a *V-mag* favorite when she debuted in SP89, but we couldn't have been more thrilled to have her to ourselves. "She's big but she isn't flabby," we wrote in that issue. "Her DDD-cup breasts are super firm, and her ass is tight and slappable." 38FF Emage was the picture-perfect image of a black-and-stacked plumper. "I like to show off my body," she said. "Not just my tits but my ass, too." Feisty DD-cup New Yorker Amanda simply loved the attention her body got. "Dressing like I do attracts the kind of men I usually go for," Amanda said.

SIX FOR SIX. SNIPPETS FROM OUR HOTTEST ONE-ON-ONES

You love seeing them pose, playing with their tits and clits and, of course, you love seeing them fuck. But we also know that XL Men love getting to know their favorite girls on a more intimate level, which is why we made interviews a staple of many issues. The girls are bright, bubbly sexual ladies who love to share what makes them tick. Today, we're going Six for Six with excerpts from our best interviews.

Tits, Tits, Tits with Renee Ross

With her soft, luscious 48-32-40 figure, Renee Ross is a pleasantly plump big-tit superstar. In this snippet, which was featured in the DVD *Tits, Tits Tits*, Renee dishes on when to ask to motor boat her J-cup naturals.

XL GIRLS: How big are your boobs?

Renee: I've never really had them measured, but I'm about a J-cup. They're probably a little bigger than that. People are so funny

Meet Renee at the right time and you may get to motor boat her.

sometimes. People will come up to me and say, "Wow, your tits are so gorgeous. Can I motor boat them?"

XL GIRLS: Do you let them?

Renee: Yeah! When I'm out at a club or something. I don't let them do it when I'm at the mall or something like that. [Laughs]

XL GIRLS: So you do like to show them off? What kind of reaction do you typically get from guys?

Renee: [Laughs] Usually, they will come up to me and say, "I'm not trying to be rude, but what size are your tits?" They try to act very calm and cool about it without it sounding, I guess, perverted. But it usually is something kind of freaky. Like, "Can I please touch them?" or "Can I suck on your titties?"

XL GIRLS: So, we want to run into you at a club, don't we?

Renee: Probably. [Laughs]

SP101: Taylor's type of guy

Taylor Stevens is a sexy, curvy Canadian who can't get enough cock and hockey. If she had it her way, she'd have both at the same time.

XL GIRLS: What's the funniest pick-up line you've ever gotten from a guy?

Taylor: I think it has to be this one time at a donut shop. I was sipping on some hot chocolate, and this guy comes up to me and says, "I bet you're as hot as the coffee you're drinking." I responded by saying, "You tell me," and I poured a bit of the coffee on him. I bet he's never used that line on

"Tell me you want to fuck my brains out and watch a hockey game."

a girl again.

XL GIRLS: Ouch! What kind of line should a guy use on you?

Taylor: You can leave the cutesy stuff out. If the right guy comes up to me and says, "How about you and me go watch a hockey game and fuck our brains out between periods?" that could work. Especially if it was a Maple Leafs game.

XL GIRLS: What type of guy is the right guy for you?

Taylor: A hardworking, decent kind of guy. You know, the type of guy who takes care of himself but doesn't spend more time in front of the mirror than me.

SP110: Play With Samantha Kay

Housewife, swinger, chef and busty porn princess...those are a few choice terms you can use to describe the always sizzling hot Samantha Kay.

XL GIRLS: How does a pro chef like you go from cooking to porn?

Samantha: It started because my husband and I are swingers. Basically, we sold little swinger videos on a Yahoo group that became really popular.

XL GIRLS: Was doing this some-

thing that you thought about doing before, or did all of this take you completely by surprise?

Samantha: It was by surprise. We started swinging after about four years together.

XL GIRLS: Now, by swinging, what do you mean?

Samantha: Oh, we're full swingers, not soft swingers. I do girls and guys. I do gang bangs. I've been to clubs, conventions and motel parties, house parties. You name it.

XL GIRLS: So, you and your husband don't have to be in the same room at the same time with the same person?

Samantha: We don't even have to be at the same party!

XL GIRLS: What's the wildest thing you've ever done?

Samantha: Oh, there's a lot of things! Sex outside, on the porch, inches from people. I've done it in the dugout of a baseball field. I once

"I love the word 'voluptuous.' It's lovely to be described that way."-Devin Taylor

had a cop catch us when we were outside doing it. We found this little quiet place, and the next thing we knew, a cop pulled up looking for kids drinking booze. So we're brought into his patrol car because I'm nude, and I'm talking to this police officer with cum on my face! But he was more interested in if we were doing drugs. I've had sex in a college parking garage. Actually, what happened was, he came on my face, then I walked three stories down the stairs with cum all over my face.

SP131: Call Devin Taylor rubenesque

Like us, one of Devin Taylor's favorite words to describe women such as herself is voluptuous. We'd gladly call this pin-up doll anything she wants.

XL GIRLS: Suppose we saw you at the supermarket? What would you be wearing?

Devin: I wear a lot of

skirts, short tops. Not too many V-necks because I get stared at.

There's this idea that if you have big breasts, you're trampy or looking for attention, but I've had them all my life. And it drives me crazy when people think that because I have big boobs, I'm deaf. Guys, if I'm walking by and you say, "Look at those tits," I can hear you. It would be nice if you said I had pretty eyes or something.

XL GIRLS: Do you get compliments on your face, which is beautiful?

Devin: I get compliments on my smile. I'm very shy in real-life.

XL GIRLS: Is this fake life?

Devin: [Laughs] This is getting to be the pin-up doll. Getting to dress up and wear pretty clothes and make up and heels.

XL GIRLS: You must get hit on all the time.

Devin: Actually, I don't. I don't go on many dates. Most guys don't even approach me to try pick-up lines on me.

XL GIRLS: They're either crazy or intimidated. You've said you don't like the word "plumper."

Devin: [Laughs] No, it reminds me of hot dogs. They plump when you cook them! I do love the word "voluptuous." It's beautiful and lovely to be described that way. Rubenesque is beautiful, too. Chunky, chubby...not so great.

SP149: How to get Maria Verbeck wet

How do you get a girl like big-tit Dane Maria Verbeck hot? Consider this a cheat sheet courtesy of Maria.

XL GIRLS: When you're with a guy and he's playing with you, what do you like to happen next?

Maria: Well, kissing and hugging is a very good start. Rubbing my sides and maybe my legs is nice. I like to have my boobs played with, too, but it's best to work up to it. Don't just jump right to them. I like to warm up slowly, but don't worry. I'll be getting hotter and hotter as we go along.

XL GIRLS: What do you mean?

Maria: Well, as we kiss, I'll kiss back a little harder and touch the bloke all over with my hands, too. I've got to make sure he's having a good time, and that's the best way to see if there's any swelling going on down there. *[Laughs]*

XL GIRLS: And if there is?

Maria: If I'm checking for it, then I obviously want it to be there. So while making out, I like for the guy to lightly rub my sides and then work his way to the sides of my titties. It's like school kids exploring

Lenka P.

Why wait? Lenka fucked a big cock in her hot debut.

Typically, XL Girls decide to break their hardcore cherries after getting a few solo shoots under their bras. Lenka, she of the curvaceous, 5'7" bod and 40E tits, wasn't most girls.

She jumped on top of a hung stud's cock in her debut in SP107. "I love to fuck," Lenka said. "And fucking on-camera was so sexy, so naughty."

Miranda

Italian beauty Miranda had it all: exotic looks, H-cup tits and a plump, curvaceous body that could stop traffic. Actually, she did stop traffic sometimes. "When I walk down the street, the men go crazy," Miranda told us in her SP107 debut. Radka, a

26-year-old, 42DD-copper from the Czech Republic was married when she debuted. She said modeling allowed her to explore her sexuality. "I only had sex with two men before my husband," she said. "Taking these pics makes me happy."

**Kerry Marie

2004 return.**

Although Kerry was already a big-tit star when she debuted in 2001, the British JJ-cupper was probably a bit too slight for *XL Girls* and a borderline plumper. By 2004, things had changed. One of the greatest naturals ever had filled out her body and become a true *XL Girl*. We got our first look at Kerry's new, plump body in the movie *On Location Costa Del Sol*.

Does it get any better than two of the greatest plumpers ever in girl-on-girl action? Nope. Laura and Susie left the boys at home in one of our most-memorable girl-on-girl scenes. How did we fit so much boob in one room? You have to be a heck of a girl to have a name like Sweetie. And this 40EE Czech babe was. "Most men are afraid to admit they like big women," she said. "To me, the XL readers are real men." Thanks, Sweetie!

2005

Samantha Kay was oiled up & ready to fuck in her debut.

We'll never get tired of a girl with curves, huge tits and baby oil dripping off her body. Super-horny wife-turned-porn starlet Samantha (SP110) fit that description. "I've always had a big sexual appetite," she said. How big? She told us she had a gang bang with 60 men. 36DD Kaitlin debuted in the same issue with an ass made for doggy style.

**Samantha
Kay**

Kaitlin

Fat tits and bottoms? These girls got 'em. It doesn't get better than this.

We spend a lot of time talking about the XL Girls' glorious tits, but one asset many of our favorite girls often have in spades, but often gets overlooked, is their round rumps. In SP110, we did our best to rectify this oversight with an ode to fat-bottomed girls that would make Freddie Mercury proud. Kat Vixen, Aspen, Kaitlin and nine other babes let it all hang out in one of our favorite specials ever. "Sometimes it's the symmetry of the sexy spheres that catch our eyes," we wrote. "Other times, sheer width makes a winner." The girls were all winners.

Kat Vixen

Aspen

There's nothing like a girl who has a plump ass to go with her huge tits. Aspen, a true girl-next-door, even offered up her ass for cock in several DVDs.

2006

Girls like these are made for big-girl sex.

If you like your women cornfed, look no further than the lovable Kountry Gal. In her SP128 debut, this Tennessee HH-copper told us she loved "big-girl sex," which she described as, "When you get a skinny boy and a big girl and roll around like people fighting in mud." We'd also love to roll around with Maria, a rare XL Girl from Denmark, and fat-bottomed DD-copper Kaitlin.

Kamila

Monique L'Amour is a special gal. Her name means love in French, which is fitting because we love every inch of this 38F-copper. Though the Colorado native first appeared in SP128, she had already popped her XXX cherry in *Cream My Tits* and *Thick Chicks on Dicks*. Kamila, another chesty Czech discovery, worked as a translator before she shot for us in 2006. With her 40E tits and endless curves, she certainly spoke our language. Like a fine wine, Gaynor got better with age. The 1990s V-mag star plumped up, and her new curves made her one of the hottest newbies of the year.

Samantha
Kay

In her debut a year earlier, Samantha described herself as a wife, chef and swinger. We couldn't have been more excited to see this 40DD babe fuck for the first time. She did not disappoint. A hung stud plugged her cunt and

dropped a load on her naturals. Miranda's first fuck was just as eagerly anticipated. But nothing could beat Sapphire's return in SP137. Plumper and bustier than ever, she's a deserving centerfold girl for our 15th anniversary.

2007

**Girls got bigger and better,
and we were beyond thrilled.**

One thing we'll never get tired of is big-titted girls in tiny bikinis. Still flaunting her new curves in SP149, Sapphire busted out and stole the show. For Devin Taylor, this was an especially big year. Four years after her debut, she was named 2006 Model of the Year. Said reader J.R. from Bonita Springs, Florida, "Devin is the real deal. Huge, round tits, a big ass and a nice smile." And black-n-stacked Brit Chaz returned in 2007, flaunting bigger tits and ass.

These girls never missed a sex session or lesson.

What happens when five cock-hungry plumpers head down to Miami for a little hands-on sex education? One of our most-memorable hardcore releases ever. *Big Girl Sex School* was our first DVD with a storyline to complement the always-wanton fucking. Peaches LaRue, Lovely Libra, Ivy Dreams and Madi Jane played the students in need of sexual instruction, and Miss Shugar, joined by a trio of hung cocksman as faithful assistants, played the teacher. The result was some of the hottest girl-on-girl and orgy scenes we've ever filmed.

Desire Monet

"If I like a guy enough that we're making out and he's playing with my tits, I'll end up sucking his cock," Maria Verbeck told us in a 2007 interview. This, in addition to her sweet girl-next-door looks and 44F-cup fun bags, are why we kept bringing back this tasty Danish dish. Boasting a 48-34-46 bod, Desire Monet's curves and big tits measure up. The former graphic designer looked innocent but was as naughty as any girl you'll meet. "I used to get hotel rooms and play out sex scenarios," she said. "Bondage, spanking, nipple clamps. Just very kinky, hot sex."

Deja

Evans**

Saying time was kind to Toni Evans would be an understatement. The H-cup blonde bomber debuted in *V-mag* in 1996 and was sexier than ever in her *XL Girls* debut in #149. It's easy to see why readers never got tired of Deja. Seemingly

plumper every time we saw her, she was a near-perfect girl for an *XL Man* with a chocolate craving. Not much needs to be said when a plumper like Monique L'Amour gets double stuffed. Cute and horny, she was made for raunchy fucking.

2008

A legendary plumper returns to kick off the year.

We lost track of Laura for a few years as she got engaged and prepared for married life. When her plans for nuptials fell through, her ex-fiance's loss was our gain. "He wanted to change me," she said. "I know a lot of men love a real woman like me." Especially when she's the greatest British plumper ever. The same goes with girls like Lenka P. and Sienna Hills.

Laura Bailey

**Lenka

An unforgettable issue for an unforgettable year of XL.

Every now and then, there is an issue you don't realize is truly special until you have the benefit of hindsight. SP158 is one of those issues. Laura Bailey returned after a three-year hiatus, Arkansas native and 34JJ-cup and adult bookstore owner Sienna Hills debuted. And that was just the tip of the iceberg for this special issue.

Lenka P. returned from her own extended hiatus from modeling, Toni Evans fucked for the first time on-camera and Samantha Kay, fucked herself with the largest dildo we've ever seen. 2008 was off to a great start.

**Sienna

The perfect girl, the perfect shot, the perfect tasty scene. By 2008, Maria Moore had long been one of the hottest babes to grace *XL Girls*, but with bigger tits, more ass, and a hungry mouth and cunt, she was better than ever. *Feed Her, Fuck Her*, still one of our raunchiest releases, was born, and Maria was the star. She feasted on an ice cream-and-cock sundae with a vagina split. Of course, the cherry on top was the layer of baby batter sprayed on Maria's bigger-than-ever boobs.

even people who would just see me out and about, were amazed at how big my breasts are. So I thought it over, and God gave me these for a reason. I may as well share them.

XL GIRLS: Since you own the store, you can pretty much wear whatever you want. What do you wear?

Sienna: [Laughs] I always wear short little skirts, or short shorts where you can almost see my panties. I wear stiletto heels so my legs look longer. And, of course, with these breasts I like to wear low-cut tops and show these babies off.

Ashley Sage Ellison is a special girl and a special discovery.

You know a special girl when you see one, and Ashley Sage is special. Discovered at age 21, this British beauty and hairdresser (who still lived with her parents) was curvaceous and breathtaking. "She has a face that melts hearts and a body that hardens cocks," we wrote in SP189. "Ashley is the girl of your full-figured fantasies."

Ashley Sage Ellison

A glowing bride and some of the hottest girl-on-girl action we have ever filmed.

When we said Samantha 38G did it all, we meant it. In *My Big, Plump Wedding*, the ultimate plumper tied the knot and took some cock. This release also featured XL legends Sapphire and Maria Moore. Renee Ross debuted in 2009 and began her run with a starring role in *Sex In The Titties*, another now-classic release that was written for her and featured a sensational six-girl orgy. Arguably our two greatest models ever, they gave us two of our greatest films ever.

Renee Ross and her closest friends starred in a steamy tit-to-tit sex show.

**Jade
Parker**

With the face of an angel and a body built for our favorite sins, Angel Sin may be one of our most-underrated models. She's one of the kinkiest, too. "I like to do bad things," the 38FF-copper said. "Leather, bondage, spanking and sub/dom role-playing are the kind of things that turn me on." Curvy Cuban Gwen Etoile isn't far behind for kinkiness. She told us her favorite feature on a guy is his face because she wants to imagine what his "cum-face" looks like. And redhead Jade came to us hoping to fulfill a few fantasies, such as anal and DPs.

A little bit of Sinn and a new queen of tits.

When Arianna Sinn debuted in *XL Girls*, she was already a fan-favorite with *SCORE* and *V-mag* readers. But a bit of weight gain that went to all of the right places made the Romanian FF-cup-per the perfect *XL Girl*. Just a year after her debut, Ashley Sage Ellison was voted Model of the Year. "I can't believe I won," she said. "So many beautiful girls were in the running."

A full-page photograph of Nikki Cars, a plus-size adult entertainer, posing on a leopard print couch. She is wearing a blue one-piece swimsuit and black lace underwear. She has large breasts and is looking directly at the camera with an open mouth. Her hands are resting on her hips. The background features a zebra print pillow and a gold-colored surface.

**Nikki
Cars**

Nikki Cars, she of the endless curves and 38H-cup tits, jumped right into hardcore play in *Brick House Brawds*, *Super Sized Rides* and *Feed Her, Fuck Her 3* before debuting in SP200. "My fans have seen me fuck on film," she said. "But

I'm going to make sure to do my best to arouse them with my naked pictures." Short-n-stacked F-cuppper Tatiana Blair would go on to film her own extra-naughty XXX scenes, too, and teased us with an extra-steamy interview in SP200.

**Tatiana

Renee Ross and Samantha 38G starring in the same DVD still stands as one of the all-time great moments in big-boob history.

If *XL Girls* ever had a moment that could be described as a passing of the torch—or more appropriately, the cock—it was *K-Jugs*. It starred Samantha 38G, who had been fucking on-camera since 2001, and Renee Ross, the new J-cup gal on the block who debuted in 2009.

The movie's storyline played off this theme with Samantha playing the threatened veteran DJ and Renee playing the busty intern hoping to take her place.

Jade Parker and Brandy Ryder joined Samantha and Renee for an unforgettable big-boob orgy.

Group chief John Fox—a man who knows tits—called her “The XL Pinup Girl.” With a bright smile on her face as Laura flaunts her much-too-

perfect side-boob, soft curves and underrated ass, this is the type of cover that makes you do a double-take when you're looking for magazines at the newsstand.

And make no mistake: Laura had the ability to make magazines fly off the shelves.

XLSP101: Tasty Titty Trio

Busty, flirty and bodacious, the always lovely Kerry Marie returned in this issue flaunting bigger tits and more curves. She was a borderline XL Girl in her previous years but began to

settle into a new sexy, plumper figure. Kerry was flanked by plush new-comer Dayton and Cherry Brady, a sultry V-

mag reader's wife who attracted a following of XL Men despite her slighter frame. We think we pulled a true big-tit hat trick with this one.

SP173: With Maria, we bit off all we could chew

If there's ever any question as to why Maria Moore is among the greatest XL Girls ever, this cover typifies why she is. In what may be our hottest cover ever, Maria is sexy, sultry, curvy and tasty all at once. For good reason, this shot also made the cover of the best-selling DVD *Feed Her, Fuck Her*, and though Maria is

Michelle May, Dors Feline and Montego Babes.

Michelle May enjoyed a brief stint of fame in *Voluptuous*, when she debuted in Nov. '09. An aspiring nurse, she quickly dropped out of sight before resurfacing in 2011 with more curves and an F-cup rack (up from 36E). "I thought modeling might be a fling," she said. "But I missed it a lot."

**Michelle
May**

**Angel
Sin**

With her 23 tattoos, dark hair, pale skin and alt-glam rock look, Dors Feline looks a bit edgier than most XL Girls. But with a sweet, bubbly personality, this British babe is as cute and cuddly as her KK-cup breasts and soft curves suggest. "I'm actually

very old fashioned," she said. "I don't put out on the first date, and I like picnics and days at the museum." On the other end of the spectrum, Angel Sin and Anna Kay look like good girls but have insatiable cock cravings. We like both types.

**Anna
Kay**

**Dors
Feline**

**Lisa
Canon**

Fresh and young at 21. That's G-cup Lisa Canon, whose SP214 debut was the type *XL* Men get their cum-filled balls loaded for. Nearly a decade after her debut, Sapphire had seen it all, done it all and fucked a lot. She even claimed the *Voluptuous Plumper* of the Year title three years in a row from 2006-2008. "It's been so much fun," she said. "I couldn't have imagined this when I started."

Micky, Terri and Gya: An all-star lineup for an amazing trip.

It was a big deal when we took three of our top newcomers on XL's first on-location trip. Our sister magazine *SCORE* had been doing this for nearly 20 years, and there was a standard to be upheld.

The three newcomers were 36J Micky Bells, 30K Terri Jane and 34HH Gya Roberts. They were more than capable of upholding the standard. Shot in Montego Bay, Jamaica, *Montego Babes* proved big girls can be just as sexy in bikinis as their thinner counterparts.

It gets no better than three curvy naturals on the sandy beaches of Jamaica.

A year filled with lush views and huge boobs.

We were on the move again in 2012. Terri was back, but this time we sent her off on a trip with Dors Feline, V-Girl Lana Ivans and *SCORE* Girl Valory Irene. The result was the DVD *Big Tit Skinny Dip*. With four playful naturals roaming the island of the Dominican Republic, we may have topped the glorious *Montego Babes* trip, which featured unforgettable underwater footage.

Dors & Terri

38J Sarah Rae may be the greatest self-sucker ever.

We've seen some great self-suckers—like Gya Roberts—over the years, but Sarah Rae may be the greatest ever. In her SP236 debut, she talked about how much she loved sucking on her own boobs and her hopes to master a hands-free double-suck. As you can see in the photo above, she achieved her goal.

**Micky Bells
& Natalie
Fiore**

After her debut in 2011, Micky Bells was dubbed the Queen of Cleavage, and for good reason. Her J-cups overfloweth, and on another intimate trip—this time to Puerto Vallarta, Mexico for *On Location Puerto Vallarta*—we paired the Romanian babe with rapidly growing former *SCORE* Girl Natalie Fiore for steamy girl-on-girl scenes. They compared pussies and had contests to see who could cum the fastest. We know *XL Men* worldwide won that event. Another strong year for newcomers, 2012 also featured the debuts of Angel DeLuca and Marilyn Mayson, who debuted in SP232 and SP236, respectively. Both would go on to film raunchy XXX scenes.

**Angel
DeLuca**

**Marilyn
Mayson**

**Charlie
Cooper**

Who's a better fuck, Samantha 38G or Renee Ross? We won't attempt to pick one, but in a scene from the now-classic DVD *K-Jugs*, one lucky cocksman, Joey, got a double dose of the two hottest hardcore performers in *XL Girls* history. No slouch when it comes to fucking, 38G-cup nurse Charlie Cooper took a hung, black stud's cock in her first hardcore scene. She was also featured in the DVD *Thick Chicks on Black Dicks*.

TESTIMONIALS

“The results are **magnificent in the bedroom.** Wifey now complains if I do not use KY or Astroglide.”

“The gains seem to be **permanent.** I can quit working out for weeks and still **have a fat chubby.**”

“I have to say I have only used this for a week or so and I have been **bigger and thicker** after using the **bathmate** a few hours before sex.”

“My girlfriend is just blown away **by the new me.** I can't keep her off **my big dick!**”

HOW IT WORKS

- This is not a penis pump. This is not a sex toy. The Bathmate uses hydraulic pressure to expand the blood vessels and tissue in the penis. With a thorough regimen of daily use, results gained will continue to develop.
- Water creates a far more powerful vacuum than air, which in turn leads to greater power to increase penis size and to exercise the penis. Warm water develops blood flow while cushioning and lubricating the penis as it expands to fill the tube.
- Temporary gains in length, girth, erectile strength and stamina will occur after first use. These results may range from 0.25" to 1.00" in girth. Length will vary with participant, but all gains improve with time.

SP227: Hello, Nurse!

If we walked into a hospital and saw Nurse Terri Jane wearing next to nothing, we would declare ourselves deathly ill in hopes of receiving the full battery of tests. Of course, we'd be sure to pass the physical.

Terri was already a dream girl with her soft curves, girl-next-door looks and perky, 30K torpedos, but decked out as the curviest nurse on the face of the earth, she fulfilled every man's fantasy.

SP265: Livin' A Dream

Sometimes a certain shot and girl are so good, the photo begs to be blown up and given its own place on the cover own to be fully-appreciated. That was the situation we were

presented with when we came across this photo of Lavinia Dream. Her bright smile,

seemingly endless curves and simultaneously perky and heavy 36DDD boobs drenched with soap suds, demanded sole ownership of the cover. The result was a cover photo that epitomizes everything being an *XL Girl* means to us. Lovable, cute and curvy, Lavinia earned one of our greatest covers ever in her debut. This is truly starting with a bang, and we look forward to more. **XL**

Cum and play with our great, new plumpers.

The next in a long line of super plumpers such as Roberta Smallwood and Kountry Gal, 38JJ Latina Sofia Rose is as plump and sweet as her predecessors. We can't say it better than reader P.L. from Pennsylvania did: "Sexy and built, Sofia Rose has it all and so much more. Her body is a sensual playground."

**Sofia

Kristina Milan

Arianna Sinn

Still plump and craving cock-loving, Arianna Sinn returned in SP241. "I've always loved sex, so I keep coming back," she said. "I can honestly say I love to fuck more than ever." Another super plumper and exotic dancer, Sashaa Juggs is aptly named. She debuted in SP244 and would go on to star in many XXX scenes. "I'm not gonna lie," she said. "I like the attention I get." And Kristina Milan's J-cup jugs made this Dominican sensation a worldwide wonder and instant favorite.

Sashaa Juggs

**Bailey
Santanna**

She's back, pregnant & glowing.

It has been a treat watching Bailey Santanna grow up. She started as a pleasantly plump college girl in 2002 and went on to do hardcore in classic films such as *K-Jugs*.

In 2012, Bailey came back with a surprise. She was five-months pregnant with a glowing baby bump. We couldn't have been happier to have her back. Especially since she went on to shoot some of the hottest pregger hardcore scenes we've ever filmed, including one for the DVD *Preggos & Milkers*.

"I thought my boobs were done growing," she said. "Since I've been pregnant, they've gotten fuller."

More good news!

**38GG Bailey

**Beti
Phellasio**

11 years after her hard-core debut, Samantha 38G still had cherries to pop. Now over 40, the plumper legend got fucked in her ass for the first time in SP241. Brunette Brit Beti Phellasio is another babe with 38G knockers. She debuted in SP253, and had no problem admitting how freaky she is "It's no secret, I'm afraid," Beti told us. "I'm an absolute pervert." And she would go on to show us just how much in *Large Lovin' 3*. Micky Bells and her 36J boobs graced the cover of SP244. As cute and flirty as ever, she teased us with her pink pussy.

2014

These two girls are taking us into our next 15 years.

Girls don't get much sweeter than 34M-cup Swede Jennica Lynn and curvy 38DDD-cupper Lavina Dream. They're the types of girls wet dreams are made of. They debuted as cover-girls in back-to-back issues (SP262 and 265, respectively) and set the tone for what has been an unbelievable 2014. "I'm a good girl," Jennica said. "But I do like to tease boys."

With Jennica Lynn and Lavina Dream new on the scene, we decided to take our big-tit show to the islands again for the first time in two years. Lavina and Jennica were joined by V-Girls Roxanne Miller and Vanessa Y. in the Dominican Republic for an intimate island escapade, *XL Girls On Location*.

Antica

**Carol
Brown**

By a stroke of luck, we stumbled upon Ukrainian babe Antica. Our photographer saw her while walking out of his apartment. Antica's 38G-cup tits will have us stroking for years. Once an XL Girl, always an XL Girl. That's how we felt when Carol

Brown approached us about shooting again. It didn't hurt that the G-cup MILF was sexier than ever. H-cup XL Girl Nikki Smith and H-cup V-Girl Scarlet LaVey shared a cock in a threesome in SP259. Yes, the future looks very bright.
